Mrs Nikita Kothari, Principal Indo Scots Global School, Thane

As the principal of Indo Scots Global School, Thane, I, Mrs. Nikita Kothari, declare my support and commitment to UN Resolution 2024 and SDG 4 Quality Education.

I believe that peace and security are essential for the well-being and prosperity

of all people, and that education is a powerful tool to foster a culture of peace and non-violence.

I also believe that quality education is a human right and a public good, and that it can empower individuals and communities to achieve their full potential and contribute to sustainable development.

I pledge to uphold the values and principles of UN Resolution 2024 and SDG 4 Quality Education in my school and beyond, and to promote them among my students, staff, and partners.

I joined the global community in calling for an end to the violence in Yemen and a lasting political solution to the conflict.

I also join the global community in working towards ensuring that every child and adult has access to quality education and lifelong learning opportunities, regardless of their background, location, or situation.

Together, we can make a difference for a better world.
