The National UN Volunteers-India cares much about SDG 4 Quality Education, Global Goals

UN Resolution 2024

Principal, Podar International School,
Tumkur, Karnataka

Declaration Message

As the Principal of Podar International School in Tumkur, Karnataka, I, Dr. Lava M B, am proud to reaffirm our unwavering commitment to the United Nations Sustainable Development Goal 4: Quality

Education. We firmly believe that education is the cornerstone of sustainable development, and it is our collective responsibility to ensure that every individual receives a quality education that empowers them to reach their full potential.

We are dedicated to fostering an inclusive learning environment that promotes innovation, critical thinking, and global citizenship. By aligning our efforts with the Global Goals, we aim to equip our students with the knowledge, skills, and values necessary to become active contributors to a more just, peaceful, and sustainable world.

In light of the challenges and opportunities presented in 2024, we are steadfast in our resolve to advance the agenda of quality

education, both within our school and beyond. We are committed to collaborating with stakeholders, embracing new technologies, and exploring creative teaching methodologies to ensure that every child has access to a transformative education.

I call upon educators, policymakers, parents, and communities to join hands in this noble endeavor. Together, let us work tirelessly to ensure that education becomes a fundamental right for all, and a catalyst for positive change in our society.

In the spirit of solidarity and determination, let us march forward towards a future where quality education is a reality for every child, laying the foundation for a more

prosperous and sustainable world for generations to come.
