(The school designated as United Nations designated school in India)

UN – Resolution 2024

Declaration in Support of SDG 4: Quality Education

Esteemed Members of the United Nations,

I, Mrs. Jayashree, Principal of Adwaith Thought Academy in Coimbatore, Tamilnadu, India, stand in wholehearted support of Sustainable Development Goal

4: Quality Education. As an educator, I deeply understand the transformative power of education in shaping the future of our world. It is with great conviction that I declare my unwavering commitment to advancing this crucial global goal.

At Adwaith Thought Academy, we firmly believe that every child, regardless of their background, deserves access to a quality education that empowers them to reach their full potential. We are dedicated to fostering an inclusive learning environment that nurtures critical thinking, creativity, and a sense of global citizenship among our students. Through our curriculum and extracurricular activities, we strive to instill the values of empathy, respect, and sustainability, preparing our students to become responsible leaders of tomorrow.

I recognize the interconnectedness of SDG 4 with the broader framework of the Global Goals, and I am fully aligned with the vision of creating a more equitable and sustainable world through education. By working collaboratively with local and global partners, we aim to expand educational opportunities, improve learning outcomes, and promote lifelong learning for all.

In closing, I urge fellow educators, policymakers, and stakeholders to join hands in our collective pursuit of quality education for all. Let us stand united in ensuring that every child has the chance to receive an education that equips them with the knowledge and skills needed to thrive in the 21st century.

Thank you for your attention to this crucial matter.
