**Coorg Public School celebrates National
Youth Day with fervour**

Coorg Public School and PU College, a United Nations designated school in South Kodagu, Karnataka, celebrated the National Youth Day on Tuesday with various activities to commemorate the birth anniversary of Swami Vivekananda, the great Hindu monk and spiritual leader.

The students and teachers participated in a special speech on Swami Vivekananda, highlighting his teachings and philosophy, and a role play depicting his life and achievements. They also took part in a holy procession to Sri Ramakrishna Sharadasrama in Ponnampet, Coorg, accompanied by drum beats and chants.

The principal of the school, Dr M Ramachandran, addressed the gathering and appreciated the efforts of the teachers and

students in organizing the event. He said that the National Youth Day was an occasion to inspire the young generation to follow the ideals of Swami Vivekananda and contribute to the nation's progress.

He also praised the school for being recognized as a United Nations school in India, which is a prestigious honour for any educational institution. He said that the school was committed to providing quality education and holistic development to its students, as well as promoting peace, harmony and social service in the society.

The National Youth Day is observed every year on January 12, since 1985, by the Government of India, to honour the contributions of Swami Vivekananda to Indian culture and spirituality. He was a key figure in the introduction of Vedanta

and Yoga to the Western world, and the father of modern Indian nationalism.
