Reporting Cycle Adjustment

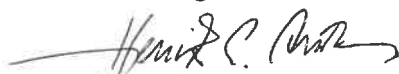

On behalf of Nordea-fonden I hereby apply for a permanent change of our reporting cycle for COE.

As of now it is January 27 every second year and next time is January 27, 2024.

We would like to change it permanently to March 31 starting March 31, 2024, and every second year thereafter.

The reason is that it will give us possibility to include our most recent yearly audited Annual report for a better description of our efforts in supporting the principles of UN Global Compact.

Kind regards

Henrik Lehmann Andersen
