Your Excellency,

At SEV Hellenic Federation of Enterprises, we view it as our paramount responsibility to support the transition of society and economy towards a future characterized by sustainable and inclusive prosperity.

In this context, we embrace as a priority the promotion of business growth and resilience within an environment that cultivates robust institutions, social well-being and the preservation of natural resources and ecosystems.

As the leading business network in Greece, SEV is also dedicated to encouraging its members to embrace the 2030 Agenda for Sustainable Development and motivating them to yield significant results through close collaboration with their stakeholders and communities.

As founding member of the Global Compact Network Hellas, we reiterate our organization's firm support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption. In our Communication on Engagement for the period 2022-2023, we elaborate further on the initiatives that our organization has taken in alignment with our commitment to the Compact's Principles.

Please accept, Excellency, the assurances of my highest consideration.
