St. Mary's Academy, one of the few
schools in India that are
designated as United Nations
schools, celebrated the 75th

Republic Day with patriotic zeal and enthusiasm on Tuesday.

The students and teachers participated in various activities such as drawing patriotism, singing, and flag unfurling to express their love and respect for the country and its constitution.

The principal, Bro. Edward Sebastian, appreciated the efforts of the students and teachers and congratulated them for being part of the National UN Volunteers-India program, which aims to

promote the values and goals of the UN among the youth.

He also highlighted the achievements of the school in various fields such as academics, sports, and social service. He urged the students to follow the ideals of the founding fathers of the nation and to contribute to the development of the country and the world.
