To our stakeholders,
After Compliments,

Subject: Deadline Extension Request

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

The activity of creating our COE report is delayed due to challenges associated with the outsourcing process for the report's creation, as there was a major delay in receiving proposals for the drafting of our COE, resulting in the commencement of this assignment only this month. To ensure the comprehensive and thoughtful articulation of our support and actions for the UN Global Compact, we require additional time beyond our original deadline of April 4th, 2024.

We hereby ask for an extension period in order to be able to post a COE that best describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by July 3, 2024 at the latest.

Sincerely yours,

Dina Al Khailii
General Manager
