Part I. Statement of Continued Support by the Chief Executive or Equivalent

February 14, 2024

H.E. António Guterres Secretary-General United Nations

New York, NY 10017 USA

Dear Mr. Secretary General,

I am pleased to confirm that The International Federation for Peace and Sustainable Development (“IFPSD”) supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption.

With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following ways:

- Propose and implement partnerships across sectors of UN Global Compact through networking and collaboration.
- Join and support issue platforms and work streams to implement the Sustainable Development Goals (SDG’s).

International Federation for Peace & Sustainable Development ***Connecting Continents for Peace***

“Special Consultative Status” with the UN-ECOSOC, UN-GCD, UN-DPA, and UN-CTAD of the United Nations. Non-Profit 501(c)3

The IFPSD is a non-profit organisation, which promotes the United Nations commitment to international peace, security and justice through educational programs, public relations and community outreach initiatives.

We have established networks and liaison offices in other regions of the world to help raise awareness on issues concerning Human Rights, Peace Security and Justice, Empowerment of Women, Youth Leadership, Combating Human Trafficking, Protection of Cultural Heritage, Climate Change Initiatives, and Interfaith Dialogue.

IFPSD will continue to pursue the Sustainable Development Goals (SDG’s) by innovating peaceful and human rights strategies that may reach the majority around the world.

We recognise that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organisation’s efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Sally Kader

President
