Subject: Requesting a Grace Period

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Due to our extensive involvement in various activities, including exhibitions, forums, conferences, workshops, and external business visits, we regret to inform you that we are behind schedule in creating, sharing, and posting our COE report.

We hereby request a grace period extension to allow us to finalize our COE, which will comprehensively outline our organization's efforts and progress in supporting the UN Global Compact.

We commit to posting our COE on the UN Global Compact website by May 21st, 2024, at the latest.

Sincerely yours,

Ali Saeed Abu Sherbak Al Mansori
