Subject: Deadline extension COE

To our stakeholders: We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to the necessity for the document to be reviewed internally by the Solar Impulse Foundation's management and executive board, which is taking longer than expected.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact, in alignment with our management's team ambition.

Our COE will be posted on the UN Global Compact website by 1st of May 2024 at the latest.

Sincerely yours,

Léa Andersson- de la Sen
