To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are currently working on this commitment and are behind on creating, sharing and posting our COP report, considering all our efforts have been focused in implementing our activities given current social and economical situations in our country.

We hereby ask for an extension period in order to be able to post a COP that describes our entity's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by June 8th, 2024 at the latest.

Sincerely yours,

Fundación Apostoaldo La Aguja
