7 March 2024

To our stakeholders,

HelpAge International Communication on Engagement - March 2024

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to a delay in gathering information to effectively communicate our work against our Global Compact commitments and engagement. We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 8 June 2024 at the latest.

If you have any questions or require any further information, please do not hesitate to contact me.

Yours sincerely,

Tanvi Patel
