

02 April 2024, Kyiv

To our stakeholders:
Future Development Agency

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to technical issues related to the conduct of military operations in Ukraine, the destruction of the country's energy infrastructure and the migration of the team to another location in the event of missile strikes.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 01 June 2024 at the latest.

Sincerely yours,

Mr. Igor Arbatov
Chairman of the Board
