To: our stakeholders,

**Re: Communication on Engagement (COE) - Grace Period**

We recognize that a key requirement for participation in the UN Global Compact is the annual reparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to unforeseen delays in coordination with relevant offices in preparation of the content we wish to publish.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by **June 30, 2024** at the latest.

Yours sincerely,

*Isabel de Blas Marin*
