Dear Mr. Secretary General,

STATEMENT OF CONTINUED SUPPORT BY THE EXECUTIVE SECRETARY

I am pleased to confirm that the Ghana Anti-Corruption Coalition (GACC) reaffirms its support to the United Nations Global Compact's commitment to upholding its ten principles, encompassing human rights, labour, environment, and anti-corruption. This pledge affirms our dedication to advancing these principles and will transparently communicate this commitment to our stakeholders and the wider public.

Furthermore, we pledge to actively engage with the UN Global Compact by participating in and supporting various initiatives, including engagement with Global Compact Local Networks, special initiatives, work streams, and global and local events organised by the Global Compact.

We understand that active participation in the Global Compact entails submitting a Communication on Engagement (COE), outlining our organisation's efforts in implementing the ten principles and engaging with the Global Compact. Committed to transparency and accountability, we pledge to adhere to the Global Compact COE policy, reporting on our progress biennially to ensure transparency and accountability in our engagement.

Thank you for the opportunity to reaffirm our commitment to these fundamental principles.

Sincerely,

Beauty Emefa Narteh (Mrs.)
Executive Secretary
