Dear Mr. Secretary-General,

I am pleased to confirm that Dayemi Foundation supports the ten principals of the UN global compact with respect to human rights, labor, environments, and anti-corruption. With this commitment we express our support to the Global Compact and intent to advise these principals within our sphere influence & will make clear statement of this commitment to our stakeholders & the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

- Awareness campaign & public advocacy programs against corruption.
- Organize public hearing on the effects of the climate change in the remote areas of Bangladesh.
- Campaign for sustainable livelihood focusing agriculture.
- Awareness campaign and programs implemented on water integrity in the remote areas of Bangladesh.

(Details of the above will be followed by in future)

We recognize that a key requirement for the participation in the Global Compact is the submission of a Communication and Engagement (COE) that describes our organizations efforts to support the implementation of the ten principals and engage with the Global Compact. We support public accountability & transparency, and therefore commit to report on progress within two year of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

We eagerly waiting to hear from you very soon and we will be happy to be a part of UN Global Compact program.

Kind Regards,

**A D Mahmood Ullah**
