Subject: GRACE LETTER

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and publishing our COE report due to internal logistical difficulties in transferring information resulting from organizational and structural changes in our work team.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 31st July 2024, at the latest.

Sincerely yours,

Maria Lucia Miyake Okumura, Dra.Eng.
Past-President -COE Coordinator
