Part I. Statement of Continued Support

May 9, 2024

To our stakeholders:

I am pleased to confirm that Confederation of Indian Healthcare Foundation reaffirms its support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption. This is our Communication on Engagement with the United Nations Global Compact. We welcome feedback on its contents.

In this Communication of Engagement, we describe the actions that our organization has taken to support the UN Global Compact and its Principles as suggested for an organization like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Dr. GD Singh

Founder & President

Confederation of Indian Healthcare Foundation (CIHF)

Part II. Description of Actions

- Confederation of Indian Healthcare Foundation (CIHF) is an independent, non-government, not for profit organization that endeavors to leverage corporate, employee & leadership talent for healthcare development, education for community development & social wellbeing. The basic objective of CIHF is to provide a common platform for all its members to discuss and develop a continuously improving, self-regulating, healthcare delivery system for the benefit of all. CIHF through its corporate gifts and employee giving campaigns seeks to successfully engage the corporate sector into meaningful Social Responsibility structures bringing about a positive and lasting change in the society at large.
- As a guideline for engagement, CIHF strongly supports United Nation's Global Compact Program and Earth Charter Principles as well as it strongly follows United Nation's Sustainable Development Goals 2030.
- CIHF involves UNGC doctrines and norms in all its multifaceted social and corporate events by the virtue of which it tries to engage them in its endeavors to support UNSDG 2030 and UNGCN.
- Apart from this, CIHF is engaged in promoting and encouraging healthcare industry globally. It works as an efficient liaisons body among the members, other hospital associations and government bodies within the region. Confederation of Indian Healthcare Foundation has been actively involved in promoting Indian Healthcare worldwide.
- CIHF's sister concern, which was founded from it in 2009 through the Board Resolution, Confederation of International Accreditation Commission (CIAC Global), is an international, non-governmental, private, self-financed, Quality Assurance Rating & Accrediting body. With its global presence, extensive network of experts and over 13 years of experience, CIAC had earlier grown essentially into three domains- education, healthcare and wellness. It has now recently launched its service domain, called, CIAC Better Business Practices or BBP. CIAC BBP is a way of doing business that takes into accounts the business practices which have been matured over the years to give a pollution free output to industrial units and prompts them to increase efficiency of their business.
- CIHF advocates world peace through its sister concern, World Peace & Diplomacy Organization (WPDO). WPDO was founded from CIHF through the Board Resolution in 2011 as a private, not for profit organization, aiming at resolving conflicts & prevailing peace amongst and within the nations.
- It was formed with an intention to work towards peace building by eliminating the main factors that initiate conflicts & unrest in people such as lack of education, hunger, religious faiths, etc. Since its inception in 2011, WPDO has achieved many mile stones covering great lengths in social and

- educational arena. It strongly supports United Nation’s Global Compact program and Earth Charter principles as well as strongly follows United Nation’s Sustainable Development Goals 2030.
- CIHF represents hospital and health system interests to business, government, and consumer audiences. It shapes health policy, fosters new forms of health care delivery, gathers data, and monitors health care accreditation systems.
- In education, its engaged in supporting higher education and research based programs for needy students and professionals.
- In healthcare it organizes free medical camps, free distribution of medicines, free health checkups for poor & needy, etc.
- It encourages, recognizes and felicitates individuals who have contributed extensively in these field while supporting all or some of the 10 principles of UNGC in their respective fields.
- It spreads awareness amongst individuals & organizations about UNGC and UNSDG amongst its associates and partners and those who deals with it by organizing events such as seminars, webinars, conferences, education forums, talk shows, etc. and inspires them to follow what it preaches & practices based on UNGC and UNSDG principles.
- CIHF, through its group organization, Unified Brainz Virtuoso Ltd., publishes a quarterly magazine, “Passion Vista” that features articles on Green business by saving environment, on women empowerment, on natural food, sustainable business model, etc. along with featuring people on contribute in the UNSDG and UNGCN.
- It also publishes Speaking Coffee Table Book on who's who of industries and society, dedicating the entire project to UNSDG 2030 and UNGC & its 10 Principles.
- While carrying out the above tasks, CIHF, along with other associated and partner organizations, adheres very strongly to 10 Principles of UNGC in the following manner:

CIHF respects the internationally proclaimed human rights and recognizes individual's rights without discriminating individuals on the basis of gender, race, ethnicity, cast & creed.

- It doesn't complicit in human right abuse in any manner.
- It has neither ever employed child labors nor has it got involved in forced labor nor does it discriminate in terms of employment and occupation.
- It supports rights to voice and respects individual's opinions.

CIHF and its associate organizations don't engage in any kind of mal practice or corruption in its activities. Not only that, it encourages all associated business entities to adopt the rights work practices, leaving no room for corruption.

- It supports the United Nations Sustainable Development model, adopting and encouraging others to protect environment and natural resources while targeting their growth plans.
- It believes in handing over a planet well nurtured and full of natural resources to its future generations.
