Dear Stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We missed sharing and posting our COE report due to our focus on changes in RBI's priorities and action agendas to enable our Stakeholder to benefit from future technologies for their transparency and supply chain traceability. RBI has always been ahead of other organization in promoting Responsible Business Behavior and enabling processes for Integration, Implementation and Impacts. Please let us have an extension period to enable us to post a COE that describes our organization's efforts and progress in support of the UN Global Compact.

Our COE will be posted on the UN Global Compact website before 30<sup>th</sup> August 2024.

Thanking you,

Ambreen Waheed  
Founding CEO
