

Grace Letter

May 17, 2024

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report. Our team is in the midst of preparing the list of all the projects, advocacy and outreach activities relating to and in support of the UN Global Compact and its principle.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by **June 15th, 2024** at the latest.

Sincerely yours,

Julien Courson
Executive Director
