To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes. We want to align our internal reporting cycle with the COE deadline. We hereby request our COE deadline to be adjusted to 25th April 2024.

Sincerely yours,

Mr Romain SCHULZ

Delegated Head of Economy and Ecological Transition
