

22 May 2024

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the biennial preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to the loss of our former President that has necessitated a careful reassessment of our organizational strategy and leadership continuity. In light of these circumstances, I am writing to you to request the readjustment of our CoE reporting cycle to February 2025.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 20th of February 2025 at the latest.

Sincerely yours,

Aline Karamn

President
