Beirut, May 23, 2024

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the biennial preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to our reliance on the annual impact report that we conduct at the end of every year. The management of Bassma association took this decision to ensure a comprehensive, trustworthy and accurate reporting so people will have access on all its accomplishments in the past 2 years.

We hereby request the adjustment of the reporting period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by the 31st of March 2025 at the latest.

Sincerely yours,

Sandra Klat Abdelnour
