Dear Stakeholders,

**Communication on Progress (COP) – Request for Grace Period**

We write to request a grace period to properly craft and design our Communication on Progress (COP). We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to pressing organisational projects.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 23 August 2024, max 60 days from COP deadline at the latest.

Yours sincerely,

**Bekeme Masade-Olowola**  
Chief Executive
