

Communication on Engagement (CoE) – Middle East MUN

Middle East MUN

Format: Stand alone document

Time Period Covered:

- **Start Date:** July 2023
- **End Date:** July 2024

Statement by the Chief Executive:

We are proud to continue supporting and being a part of the global compact! – Ishrat Siddiqui

Practical Actions Taken:

1. **Incorporate Global Compact Principles:** Integrated principles into policies and operations, and communicated progress as per COP requirements.
2. **Deliver Education:** Conducted workshops, seminars, and developed materials on sustainability and Global Compact principles.
3. **Conduct Applied Research:** Initiated research projects and published reports on sustainable development.
4. **Disseminate Principles:** Promoted principles through events, publications, and social media.
5. **Support Business Participants:** Provided guidance to local businesses on sustainability efforts.

Measurement of Outcomes: Over 1000 students reached in last fiscal year

Sharing the CoE with Stakeholders: d) Both b) and c)

- The CoE is accessible via our website.
- Actively distributed to key stakeholders including investors, employees, beneficiaries, and the local community.
