Dear Mr Secretary-General,

I am pleased to confirm that Leonard de Vinci Association supports the 10 principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate and engage with the UN Global Compact in the following ways:

- Conducting applied research and thought leadership to advance best practices
- Promoting the UN Global Compact Ten Principles
- Educating a variety of audiences about sustainability

We recognise that a key requirement for participation in the Global Compact is the submission of a Communication On Engagement (COE) that describes our organisation's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Pascal Brouaye
President of Leonard de Vinci Association
