Dear Mr. Secretary-General,

I am pleased to confirm that Thai-Turkish Chamber of Commerce supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following ways:

- We can offer sector-specific advice and guidance on key sustainability issues, by developing tools and promoting best practices.
- We can help strengthen to key sustainability priorities such as anti-corruption and the rule of law.
- We can engage with our members and the public at large to raise awareness on their sector's contribution to society.
- We can mobilize our members and our network in support of key development projects by brokering sector-specific partnership projects.
- We can organize events, seminars, and programs to raise awareness on sustainability goals for our members and network.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Mr. Abdullah Sabri Tok

Executive Director
