Dear Mr. Secretary-General,

I am pleased to confirm that Wenzhou Hongfeng Electrical Alloy Co., Ltd. supports the ten principles Compact with respect to human rights, labor, environment and anti-corruption. We express our intent to advance those principles within our influence. We are committed to making the Global Compact and its principles strategy, culture and day-to-day operations of our company, and collaborative projects which advance the broader development goals Nations, particularly the Millennium Development Goals. Wenzhou Hongfeng Electrical Alloy Co., Ltd. a clear statement of this commitment to our stakeholders and the general. We recognize that a key requirement for participation in the Global annual submission of a Communication on Progress (COP) that describes efforts to implement the ten principles. We support public accountability transparency, and therefore commit to report on progress within one Global Compact, and annually thereafter according to the Global Compact

Sincerely yours,

A handwritten signature in black ink, appearing to read "Chen Xiao". The signature is written in a cursive, flowing style.
