Dear Mr. Secretary General.

I am pleased to confirm TANAAD TRADING CO LTD supports the ten principles of global compact with respect to human rights, labor, and environments and anti corruption.

With this communication, we express our intent to advance those principles within our sphere of influence. We are committed to making the global compact and its principles part of the strategy, culture and today –today operations of our company, and to engaging in collaborative projects which advance to the broader development goals of the United Nations, particularly the millennium development goals. TANAAD TRADING will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the global compact is the annual submission of a communication on progress (COP) that describes our company's efforts to implement the ten principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the global compact, and annually thereafter according to the global compact COP policy. This includes

A statement signed by the chief executive expressing continued support for the global compact and renewing our going commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the global compact.

- A description of practical actions (i.e., disclosure of any relevant policies, procedures, activities) that the company has taken (or plans to undertake) to implement the global compact principles in each of the four issues areas (human rights, labor, environment, anti-corruption).
- A measurement of the outcomes (i.e., the degree to which targets/performance indicators were
- Met, or other qualitative or measurements of results).

Sincerely

Abdullahi Ibrahim
