His Excellency,

TEAMCOBY NIGERIA'S COMMITMENT TO ADVANCE THE TEN GLOBAL COMPACT PRINCIPLES.

Teamcoby Nigeria supports the principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact by engaging with the Global Compact local network.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication of Engagement (COE) that describes our organizations efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency and therefore commit to report on progress within 2 years of joining the Global Compact and every 2 years thereafter according to the Global Compact COE policy.

Sincerely yours

Adeniyi Oluwasegun
Executive Director
