Dear Mr. Ban Ki-Moon,

Hereby, Delta Lloyd Group would like to confirm to you, our commitment to the 10 Principles of the UN-Global Compact. It is with great expectation that we would like to indicate to you, our willingness to join this relevant international initiative.

Delta Lloyd Group is the organisation behind the Delta Lloyd, OHRA and ABN AMRO Insurance brands. We are strong in insurance, asset management and banking services, with 7,500 employees in the Netherlands, Belgium and Germany. Delta Lloyd Group is strongly committed to Corporate Social Responsibility. Only recently we have similarly joined another relevant CSR standard, the UN Principles on Responsible Investment.

We are fully committed to ensure the integration of the Principles of the UN Global Compact within our policy and practice. We will furthermore strive to actively participate in the collaborative initiatives that the UNGC foresees in and / or engage in partnerships that support broader UN-goals.

We are aware of the reporting requirement through an submission of a Communication on Progress. We will do so on yearly basis to inform you about the implementation of the Principles.

As a gesture of our commitment to the UN-Global Compact we will contribute an amount of \$ 10,000 to the Global Compact Foundation. We will budget our contribution as of 2010.

We look forwards to working with your institution in the nearby future.

Yours Sincerely,

Niek Hoek
CEO
