Dear Mr. Secretary General,

I am pleased to confirm that Indian Medical Scientific Research Foundation supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global compact in the following way(s): We pledge to follow UN Global Compact principles of Human Rights, Labour, Environment and Anti-corruption in words and spirit. Our organization has been working with conformity of these principles in service of humanity.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Meetal Shah
Joint Director

Indian Medical Scientific Research Foundation
