Dear Mr. Secretary General,

I am pleased to confirm that **International Institute of Scientific Meditation** supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to advance these principles within our spheres of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following ways: protecting Human Rights by promoting peace through meditation, enriching the life of labor force by promoting health through scientific meditation, elimination of discrimination in respect of employment and occupation by changing mindset through workforce training, cultivating wellness by yoga and mindfulness, encourage the preservation and protection of environment through meditation and training. We wish to encourage the development and diffusion of environmentally friendly technologies. We commit to undertake initiatives to promote greater environmental responsibility for protection and preservation of earth and environment.

We recognize that a key requirement for participation in the Global Compact is the biannual submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

(Dr. AMIT KUMAR RAY)

President
