Dear Mr. Secretary-General,

I am pleased to confirm that Novo Nordisk Turkey ("Novo Nordisk Sağlık Ürünleri Tic. Ltd. Şti") supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our intent to implement those principles. We are committed to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. Novo Nordisk Turkey will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the Ten Principles. Each year, Novo Nordisk Headquarters publishes an extensive COP on global Novo Nordisk activities, which is also valid for all affiliates including Turkey. Novo Nordisk Turkey is committed to the principles followed by Novo Nordisk HQ by default. We support public accountability and transparency, and therefore the global Novo Nordisk COP will act as a guarantee for our commitment to UNGC Principles.

Sincerely yours,

Mr. Burak Cem

Novo Nordisk Turkey Vice President and General Manager
