Shanghai Shanbaoxili Network Technology Co., Ltd.

H.E Antonio Guterres
Secretary General of the United Nations
New York, NY 10047 USA
April 17, 2017

Dear Mr. Secretary General

I am delighted to confirm that Shanghai Shanbaoxili Technology Network supports the ten principles of the Global Compact with respect to human rights, labour, environment, and anti-corruption.

With this communication, our company expresses our intent to advance those principles within our sphere of influence. We are committed to making the Global Compact and its principles part of the strategy, culture and day to day operations of our company, and engaging in collaboration projects which advance the broader development goals of the United Nations particularly, the sustainable development goals. Shanghai Shanbaoxili Network will make a clear statement of this commitment to our stakeholders and public.

We recognize that the key requirement for participation in the global compact is the annual submission of a communication progress (COP) that describes our company's efforts to implement the ten principles. We support public accountability and transparency and therefore commit to report progress within one year of joining the global compact and annually thereafter according to the global compact (COP) policy. This includes:

- A statement signed the Chief Executive Officer expressing continued support for the global compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the Global Compact.
- A description of practical actions (i.e. disclosure of any relevant policies, procedures, activities) that the company has taken or plan to undertake) to implement the Global Compact principles in each of the four issues areas (Human rights, labour, environment, anti-corruption).
- A measurement of the outcomes (i.e., the degree to which targets performance indicators were met or other quantitative or qualitative measurements of the results.

Sincerely yours

Wu Ming Zhong
Chief Executive Officer
Shanghai Shanbaoxili Network Technology Co.,Ltd.
