Dear Mr. Secretary-General,

I am pleased to confirm that SLEST, which consists of POSTECH students and alumni who are interested in leadership and social responsibility, supports the ten principles of the UN Global Compact with respect to human rights, labor, environment, and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible -through, for instance, participation in Country/Local Networks; involvement in specialized initiatives and workstreams; and engagement in partnership projects.

SLEST is holding global leadership forum annually and organizing a student network among the universities around Northeast Asia region. Our stakeholders -local communities, domestic and foreign university students- are benefitted from their participation in our activities. We are confident that these activities will help the ten principles of the UN Global Compact be settled worldwide.

Sincerely yours,
