Dear Mr. Secretary General,

I am pleased to confirm that **Danmarks Restaurant & Cafeer (DRC)** supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

- DRC will use UN Global Compact principles as the framework for our work on responsible business conduct in alignment with the UN Guiding Principles and will encourage both our members and business partners to follow our lead.
- DRC will promote best practice within the Hotel- and Hospitality industry and develop sector-specific tools to assist our members address corporate sustainability issues in accordance with the UN Guiding Principles when managing adverse impacts on UN Global Compact principles.
- DRCs employees will receive relevant education on the UN Global Compact and UN Guiding Principles.
- DRC will engage in activities to promote the industry's contributions to principles of importance for sustainable development as referenced by the UN Global Compact principles.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,
