Dear Mr. Secretary General,

I am pleased to confirm that **NAGRIK FOUNDATION** supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public. We also pledge to participate in and engage with the UN Global Compact in the following way(s):

SDG 1. End poverty in all forms everywhere; SDG 2. End hunger, achieve food security and improved nutrition and promote sustainable agriculture; SDG 3. Ensure healthy lives and promote well-being for all ages; SDG 4. Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all; SDG 5. Achieve gender equality and empower all women and girls; SDG 6. Ensure availability and sustainable management of water and sanitation for all; SDG 7. Ensure access to affordable, reliable, sustainable and modern energy for all; SDG 8. Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all; SDG 9. Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation; SDG 10. Reduce inequality within and among countries

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Deepak Dwivedi
