*Dear Mr. Secretary-General,*

I am pleased to inform that the Corporate Social Responsibility (CSR) Centre has been working as a joint focal point with the Bangladesh Enterprise Institute (BEI) for the UN Global Compact in Bangladesh from the year 2008. The Centre has always been supportive to the ten principles of the UN Global Compact with respect to human rights, labor, environment, and anti-corruption and has been actively organizing awareness programs regarding the Global Compact principles. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible as we have been working to create a sustainable Local Network in Bangladesh jointly with BEI. We will also have our involvement in specialized initiatives and work streams, engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress (COP).

As an implementer of the Global Compact principles in Bangladesh, we are delighted to sign up as signatory to the UN Global compact as part of our commitment to uphold UNGC's position in Bangladesh.

Sincerely yours,

Shahamin S. Zaman  
Chief Executive Officer
