Dear Mr. Secretary General,

I am pleased to confirm that **Civil Society Organisation Ladyzhin Public Council/**
Coordination Center Strategic Development "Ladyzhyn-2030" supports the ten principles of
the UN Global Compact with respect to human rights, labor, environment and anti-corruption.
With this commitment, we express our intent to support the Global Compact advancing these
principles, and will make a clear statement of this commitment to our stakeholders and the
general public.

We also pledge to participate in and engage with the UN Global Compact in the following
way(s):

- **Implementation of 17 Sustainable Development Goals (SDG) in cooperation with local communities and cities in the Vinnytsia region;**
- **The creation in the Vinnytsia region (Ukraine) of the local network of the United Nations Global Compact;**
- **Implementation of partnerships and interaction with other stakeholders;**
- **Interaction with global local networks;**
- **Joining platforms and supporting the work processes and participants in the UN Global Compact.**

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within *two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

Sincerely yours,

Mr. Andrii Skakodub
