We at Zify, will stay committed to making the United Nations Global Compact and the ten principles part of the strategy, culture and day-to-day operations of our company. We shall engage in collaborative projects which advance the broader development goals of the UN, particularly, the **Sustainability Development Goals** (SDG). Therefore, we commit to report on progress within one year of joining the United Nations Global Compact and annually thereafter according to the COP policy. This will include:

- A statement signed by the chief executive, expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and principles. This is separate from our initial letter of commitment to join the UN Global Compact.
- A description of practical actions (i.e., regarding disclosure of any relevant policies, procedures, activities) that Zify has taken or plans to take up, so as to implement the principles in each of the four issue areas. (human rights, labor, environment, anti-corruption)
