Dear Sir,

Letter of Commitment

I am pleased to confirm you that OjulogeARTS Leadership And Development Initiative (O.L.A.D.I) supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our sincere intent to support the Global Compact advancing these principles, and we promise to make a clear statement of this commitment to our stakeholders and the general public.

Our organization OjulogeARTS Leadership And Development Initiative (O.L.A.D.I) with its members and management, also pledge to participate in and engage with the UN Global Compact in the following ways:

- 1) End Poverty in all forms everywhere
- 2) Achieve gender equality and empower women and girls
- 3) Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all.
- 4) Reduce inequality within and among countries
- 5) Strengthen the means of implementation and revitalize the global partnership for sustainable development.
- 6) End hunger, achieve food security and improved nutrition and promote sustainable agriculture.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

FUNSO-ADEBAYO DORCAS (MBA)
