Dear Mr. Secretary-General,

French Chamber of Commerce and Industry in the Philippines, Inc. (CCI France-Philippines), a non-profit, self-sustaining organization that promotes bilateral business relationship between France and the Philippines, strongly supports the Ten Principles of the United Nations Global Compact (UNGC) on human rights, labour, environment, and anti-corruption.

With this communication, we express our full intent to commit to the aforementioned key principles, through its implementation to the day-to-day operations of CCI France-Philippines, such as engaging itself and its members in collaborative projects relating to the advancement of the broader development goals of the United Nations, particularly the Sustainable Development Goals. CCI France-Philippines shall make a clear statement of this commitment to our stakeholders and to the general public.

Furthermore, we commit to the UNGC's Communication on Engagement (COE) policy of submitting progress report within two years of joining and every two years thereafter to exhibit public accountability and transparency.

Sincerely yours,

Vanessa Hans
Managing Director
