Dear Mr. Secretary General,

I am pleased to confirm that *Bucheon Woman&Youth Foundation* supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

- Developing of Family Friendly Policy for the small and medium-sized sites in Bucheon City.
- Expanding small businesses that adopt family-friendly policies in Bucheon City.
- Developing the family-friendly guideline study through research on local small businesses
- Improving the working environment of local women workers through business principles of UN Global Compact.
- Applying the UN Global Compact principles to local community's working environment.
- Participating of the UN Global Compact Korea Network

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within *two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

Sincerely yours,
