Dear Mr. Secretary General,

I am pleased to confirm that Ali Raif Ilac San. A.S. supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. With this communication, we express our intent to advance those principles within our sphere of influence. We are committed to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Millennium Development Goals. Ali Raif Ilac San. A.S. will make a clear statement of this commitment to our stakeholders and the general public.

The company was reorganized in order to trade in pharmaceuticals industry by Muzaffer Turhan in 1963. Since 1983, the company has had operations under the name of Ali Raif Pharmaceutical Inc. Co. Ali Raif was marketing pharmaceuticals as a licensee of multinational companies in the early years of its foundation. Then the company became one of the leading companies of the Turkish Pharmaceutical Industry starting to import finished pharmaceuticals and to produce and market generic pharmaceuticals. After Ali Raif commenced generic pharmaceuticals licensing, producing and marketing, export opportunities started to arise in parallel to them. Export activities started with Azerbaijan and Georgia has enlarged with EU countries in 2003. Since 2005 they have speeded up greatly. The countries that have been export are England, Portugal, Hungary, Azerbaijan, Georgia, The Philippines, Bulgaria, Spain, Algeria and Poland. Ali Raif has nearly 150 pharmaceuticals with their forms in therapeutic fields such as cardiovascular diabetics, gastrointestinal, analgesic, anti-inflammatory, anti-flu, antihistaminic, central nervous system. Headquarters and production facilities are located in Levent, Istanbul, has totally 10 regional offices in Turkey.

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the ten principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact, and annually thereafter according to the Global Compact COP policy.

Sincerely yours,

Mr. Muzaffer Bal
General Manager
