Dear Mr. Secretary General,

### **LETTER OF COMMITMENT**

I am pleased to confirm that Centre for Youth Development and Adult Education-CELA, supports the ten principle of the UN Global Compact with respect to human rights, labor, environment and anti-corruption.

With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholder and the general public.

We also pledge to participate in and engage with the UN Global Compact in the specific activities including each type of nonbusiness participant in support of the initiative. Thus, we would;

- *Support the UN Global Compact by striving for refugee wellbeing, and against the deprivation thereof*
- *Demote forced labor, child labor and discrimination along employment through our local actions*
- *Build partnership with other stakeholders to apply friendly environmental technologies.*
- *Engage with Global Compact Local Networks*

Guided by the principles and responsibilities of becoming a part of the UN Global Compact, we would conform to the submission of the Communication On Engagement (COE) within two years after joining, and every two years thereafter

Sincerely

Elias Msoshi-Fidele

(CELA Coordinator)
