Dear Mr. Secretary-General,

I am pleased to confirm that [WeForest](http://www.weforest.com), an international non-profit organization combating climate change and poverty through large scale permaculture reforestation supports the ten principles of the UNGlobal Compact with respect to human rights, labour, environment, and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks; involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.
Sincerely yours,

Keijzer Marie-Noëlle
