Dear Mr. General Secretary,

It is my pleasure to confirm that ES-KO International S.A.M. supports the ten principles of the Global Compact as it relates to human rights, labour, environment and anti-corruption. With this communication, we express our intent to advance those principles within our sphere of influence. ES-KO International S.A.M. is committed to making the Global Compact and its principles part of the strategy, culture and day-today operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals (SDGs). We will make a clear statement of this commitment to our stakeholders and the general public.

ES-KO International S.A.M. recognizes that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) describing our company's efforts to implement the ten principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact, and annually thereafter according to the Global Compact COP Policy.”

Sincerely yours,

Michael Masters
CEO
