Dear Mr. Secretary-General,

I am pleased to confirm that Barış Kent Realty supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. In this

communication, we express our intent to advance those principles within our sphere of influence. We are committed to making the Global Compact and its principles a part of our strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Millennium Development Goals. *Barış Kent Realty* has issued a clear statement of this commitment to our stakeholders and the general public. We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that describes our efforts to implement the ten principles. We support public accountability, transparency, and therefore commit to report on progress within *one year* of joining the Global Compact, and *annually* thereafter according to the Global Compact Communication on Progress Guidelines.

Sincerely yours,

Mr BARIŞ AYDIN
